

## FRIGHTENED BOY STARTS MAN-HUNT

Charley's Scream When Scared  
By "Boo" Gives Rise to Rumors of Killing of Two.

As little Charley Druckenmiller, thirteen-year-old son of an employee of the Bureau of Engraving and Printing, who lives in Clarendon, Va., was returning from a moving picture show last night, a man jumped from behind a bush which bordered the path and said "Boo!"

Charley let out a piercing scream, which echoed and re-echoed from the wooded hills about Clarendon. Such was Charley's lung power that neighbors heard the ear-splitting yell, doors flew open, and in ten minutes, quickened by revolver shots fired to give the alarm, thirty or forty men had organized themselves into a posse and began to beat the bushes in search of the man who said "Boo" to Charley.

In the meantime, in answer to a telephone call, two truckloads of soldiers

were dispatched from Fort Myer and Headquarters Detachment Burlingame and Scrivener, jumping into a police car, fairly burned the wind between Washington and Clarendon.

Rumors spread and were multiplied, and were enlarged upon by everyone, until it was stated and believed that a woman and her child had been killed.

Soldiers, detectives, sheriff, neighbors and dogs, made the night wild for half an hour or so, until someone thought of interviewing Charley. As the result of the interview soldiers went back to bed, the detectives returned to Washington, neighbors went back to sleep, and the dogs went to their kennels.

Charley, upon being interviewed today, said he didn't know what the man looked like. He doesn't seem to care much. Charley is a proud boy. It was the greatest night of his life.

## TOOK 3 GUN NESTS; NEARLY KILLED; KEPT RIGHT ON

NEW YORK, July 25.—Capt. Samuel Woodfill, Seventeenth Infantry, Fifth Division, was nominated by friends today as a running mate for Sgt. Alvin York, Tennessee's hero of the great war.

Last October Woodfill, then a lieutenant, captured three machine gun nests, killing their crews, assisted by only two of his men. He was severely wounded by shrapnel, but refused to report at a hospital, and thus came home without a wound chevron.

Woodfill wears the Congressional medal of honor, the French croix de guerre, and the legion of honor. He is married, and lives at Fort Thomas, Ky.

## K. OF C. WILL AID GIRL WAR WORKERS

Having already attained the largest record of any employment agency in the country for finding jobs for ex-soldiers and sailors, the Knights of Columbus Reconstruction and Employment Service will now extend the scope of its activities to include the demobilized yeomanettes, nurses, relief workers and other women and girls in the various branches of the United States service who have been released.

Hundreds of these girls have been let go by the War and Navy Departments, and are now looking for work. Mary D. Burgess, of New York, was the first girl placed by the Knights of Columbus bureau. She was a nurse at Base Hospital 69, and the knights found a job for her as supervisor for the Pullman Car Company.

## AGED WOMAN SLAIN; STEPSON, 63, HELD

SAN FRANCISCO, Cal., July 25.—Mrs. Sarah Satira Coburn, the aged widow of Loren Coburn, "the poor little rich man" of Pescadero, was found murdered at her ranch home at Pescadero.

Her aged imbecile stepson, Wallace Loren Coburn, was dragging the body when it was discovered.

Her head had been battered with a heavy stick, which lay in the doorway between the room of death and that which Wallace customarily occupied. He is now held under guard pending the result of the inquest. Nothing he says throws any light on the tragedy. He only mutters and mumbles incoherent things.

## WHY RUN-DOWN PALE EXHAUSTED WOMEN SHOULD TAKE IRON

"There can be no beautiful, healthy, ray-cheeked, steady served woman without iron. When the iron goes from the blood of women, the roses go from their cheeks—clear cheeks and attractive features depart. I always insist that my patients take organic iron. Nuxated Iron—(not metallic iron which often corrodes the stomach and does more harm than good). Nuxated Iron is easily assimilated, does not blacken nor injure the teeth, it upsets the stomach. It will increase the strength and endurance of weak, nervous, irritable, careworn, haggard women in two weeks' time in many cases. I have used it in my own practice with most surprising results."—Ferdinand King, M.D., well known New York Physician and medical author. (Satisfaction guaranteed or money refunded—On sale at all good druggists.)

## Its 12 Wonderful Ingredients Simply Make You Over

There are remedies which act on the liver; remedies which help the nerves; remedies which influence the stomach and intestines.

But never before has such a remedy as Flaxolyn been compounded.

It acts on the stomach, the large and small intestines, the bladder, the kidneys, the stomach, the liver, the lungs, the nerves.

It gives the human machine a general overhauling.

You begin after the first few doses to feel like a new person. Flaxolyn is a powder and extremely convenient and easy to take.

It can harm nobody. It contains no drugs to form habits, no alcohol to stimulate.

Dr. H. H. Lantz, the well known Alsatian physician, spent 20 years developing the Flaxolyn formula. He broke his health down. Was stricken with nervous collapse. His own remedy, Flaxolyn, cured him. This is one of the rare cases where a doctor took his own medicine.

There are 30 Flaxolyn powders in a package. Take one powder in a wine glass of water 30 minutes before each meal. Stir slightly until dissolved.

WM. F. SCHAARE, M.D., Professor of Surgery in the Chicago College of Medicine and Surgery, says:  
Kindly find enclosed endorsement of the merits of your Flaxolyn. It has been clinically and therapeutically tested and we find it corresponding to your claim. I have taken two ounces of it myself and some of our students of the College of Medicine and Surgery, have also taken it and they say it is the most normal laxative that medical science can compound.

# IRON THAT ENRICHES WITHOUT UNDULY THICKENING THE BLOOD.

Scientists Find That Vegetable Iron Has Superior Tonic Properties—  
Yet Does Not Injure the Teeth Nor Make the Blood too Heavy.

Among the advances in medical science during recent years is the discovery of the medicinal value of Iron Weed Tonic. This tonic composed of Iron Weed, Burdock, Polk Root, Prickly Ash, Queen's Root, Yellow Dock, Oregon Grape, Cascara with Iodine and Salicylates is called Nu Vim. That this remarkable vegetable tonic lives up to its name, giving a red richness to the blood, quieting and strengthening the nervous system and bringing new energy and ability to the whole system, is proven by the experience of thousands who are run down, debilitated and discouraged by weakened organs that did not seem to respond to any other treatment. Pale, bloodless people with sallow, blotched complexion have found red cheeks and a clear skin as well as an increase in healthy weight and strength, through Nu Vim Iron Weed Tonic.

Both Harrison Pryor and his wife, residents of Philadelphia, where they live at 1419 Melon street, were left in a nervous, weak, run down condition by the flu. "My wife and I," said Mr. Pryor, "were sick all winter and the flu left us with bad stomachs and kidneys" (a not unusual result of that terrible, weakening disease). "We both were in bad shape and couldn't work—had no appetite and did not sleep well—were weak and pale. Nu Vim was recommended to us as a good builder so we each got some. It was surprising how quickly we got our appetites back and how much better we felt, and I am glad to tell others so they may get well for so little money as we did."

Now read what is said of Nu Vim by Mrs. Elizabeth Scott, of 505 Lincoln street, McKeesport, Pa.: "I was seriously affected with rheumatism and neuritis. My right arm was so badly affected by these causes that it became almost useless. My stomach was also in bad condition. My doctor gave me but little hope that I would ever recover my health. I was recommended to use Nu Vim Iron Weed Tonic which I did and am now thoroughly recovered in health and completely restored."

If your druggist does not supply you send \$1.00 and 4c U. S. revenue to the Nu Vim Drug Co., Columbus, Ohio, who will send you a full sized, 12-ounce bottle of Nu Vim. Nu Vim is on sale in Washington at all People's Drug Stores.
